PROJECTS & PROFESSIONAL DEVELOPMENT

Youtube Trending Analysis Project - Data entries

August 2026

Self-Project | Experimental Learning, Excel |

- Analyzed a dataset of 6,000+ YouTube trending videos using Excel functions, filtering, and sorting techniques.
- Identified data types, calculated key metrics, and evaluated video performance using summary statistics.
- Developed data driven ideas and presented findings on trends, engagement, and content performances.

Classy Clay's Companion Project - AI-Powered Catering System

July 2026

Full Stack Developer | HTML, & CSS | [Link to Project Website](#), [Link to Project paper](#)

- Developed a full-stack catering management platform that centralized customers, orders, menu, and scheduling data, improving operational visibility and workflow management.
- Implemented AI-assisted estimation, invoicing, and email generation features that streamlined quote preparation and reduced manual admin effort.
- Created reporting dashboards and analytics tools to track orders, revenue, order statuses, and supporting data-driven decision-making.

AllSafeApp Security Systems Research Project

April 2026

Team Led | Process Modeling, Compliance Analysis (FERPA/COPPA) | [Link to Final Paper](#)

- Led a team in evaluating a K-12 school safety platform, managing project planning, stakeholder communications, and deliverable submission using Agile project management practices.
- Analyzed reporting workflows, threat detection processes, and compliance requirements to develop system documentation and process models.
- Analyzed the user scenarios and system integrations, delivering recommendations to improve safety operations and reporting efficiency.

LEGO's Analysis Research Project

April 2026

Team Led | Strategic Planning, Market Research, P.E.S.T.E.L. Analysis | [Link to Final Paper](#)

- Led a team in conducting a comprehensive strategic analysis of LEGO, coordinating research, and executive decisions making.
- Analyzed LEGO's financial performance, competitive position, and strategic resources against their major competitors.
- Proposed strategies to improve sustainability, supply chain practices, and business performance.

WORK EXPERIENCES

Cashier

Dec. 2023-March 2024

Food Depot

Indian Trail, Norcross, GA

- Processed customer transactions accurately in a fast-paced retail environment.
- Assisted customers with inquiries, pricing concerns, and checkout issues.
- Balanced cash drawers, supported daily store operations, and inventory checks.

Landscaper

July 2018 - July 2020

Eddie Lawn Service

Norcross, GA

- Maintained residential or commercial properties through mowing, trimming, and other landscaping services.
- Operated landscaping tools and equipment safely and efficiently.
- Assisted with irrigation installation, maintenance, and outdoor improvement projects.
